

**RESOLUTION GRANTING
AN EASEMENT TO DOMINION POWER
TO ENABLE ELECTRICAL POWER SERVICE
TO ELECTRIC CHARGING INFRASTRUCTURE**

WHEREAS, the City has purchased an initial set of electric school buses for the pupil transportation fleet; and

WHEREAS, electric school buses require access to electric charging infrastructure; and

WHEREAS, Dominion Energy offers a program to support school bus fleet electrification initiatives by delivering and operating utility-owned charging infrastructure; and

WHEREAS, the installation of electric charging infrastructure required the establishment of an easement to enable the provision of electrical service to the charging system; and

WHEREAS, City staff has worked with Dominion Power to verify the location, effectiveness, and practicality of the proposed easement and has concluded that these modifications are legitimate and necessary additions to the easement to enable Dominion to provide electrical service to the charging system; and

WHEREAS, the proposed easement is depicted in instrument 81-25-00033, which is enclosed for reference; and

WHEREAS, the electrical charging system will support the climate action initiative of electrifying the school bus fleet.

NOW, THEREFORE, BE IT RESOLVED, that the City of Charlottesville approves the existing easement provided to Dominion Power for the provision of electrical power service to the electrical charging system, located at 1505 Avon Street Ext.
