

**RESOLUTION SELECTING A PREFERRED ALTERNATIVE DESIGN FOR THE
EAST HIGH STREET DEMONSTRATION PROJECT**

WHEREAS, the City Council of the City of Charlottesville, Virginia (“City Council”), has affirmed its commitment to the development of a Regional Safety Action Plan (“Plan”), with grant-support from the Safe Streets and Roads for All Program; and

WHEREAS, City Council has established a goal of eliminating traffic fatalities and halving serious roadway injuries by 2045; and

WHEREAS, the Plan and Move Safely Blue Ridge, included design and public outreach for a temporary demonstration project at a target location of serious safety concern; and

WHEREAS, the Move Safely Blue Ridge Project Team has identified the intersection of East High Street and Meade Avenue as a target location due to pedestrian crossing safety concerns and developed multiple design alternatives for public feedback.

NOW THEREFORE, BE IT RESOLVED by City Council that it authorizes City Staff to implement the preferred design alternative, for up to sixty (60) days, to test and evaluate safety improvements on East High Street, Meade Avenue, and Stewart Street.
