This Ordinance authorizes and empowers the Company to erect, maintain and operate certain Facilities as described in this Ordinance on, over, along, in, under and through the Public Rights-of-Way (as defined in this Ordinance) of the City of Charlottesville, Virginia (the “City”) as its business may from time to time require; provided that:

ARTICLE I – GENERAL

SECTION 101 PURPOSE AND SCOPE

To provide for the health, safety and welfare of its citizens and to ensure the integrity of its roads and streets and the appropriate use of the Public Rights-of-Way, the City strives to keep the Public Rights-of-Way under its jurisdiction in a state of good repair and free from unnecessary encumbrances.

Accordingly, the City hereby enacts this Ordinance to grant to grant a telecommunications right-of-way franchise and administration. This Ordinance imposes regulation on the placement and maintenance of Facilities and equipment owned by the Company currently within the City’s Public Rights-of-Way or to be placed therein at some future time. The Ordinance is intended to complement, and not replace, the regulatory roles of local, state, and federal agencies. Under this Ordinance, when excavating and obstructing the Public Rights-of-Way, the Company will bear financial responsibility for its work to the extent provided herein. Finally, this Ordinance provides for recovery of the City’s reasonable out-of-pocket costs related to the Company’s use of the Public Rights-of-Way, subject to the terms and conditions herein.

This Ordinance shall be interpreted so as to benefit the public but does not create any third-party right of action.

This Ordinance and any right, privilege or obligation of the City or Company hereunder, shall be interpreted consistently with state and federal statutory, administrative and common law, and such statutory, administrative or common law shall govern in the case of conflict. This Ordinance is not intended to limit the regulatory and police powers of the City to adopt and enforce other general ordinances necessary to protect the health, safety, and welfare of the public.

The Company's initial installation of Facilities must be in strict compliance with the approved PROW Plan for the Facilities, a copy of which shall be maintained by the Director within a file within the Department of Public Works. Any additional installation of equipment, lines, cables or other Facilities shall be underground unless it shall be determined by the Director as set forth in Article III that it is not feasible to do so.

SECTION 202 SUBSEQUENT INSTALLATION

202.1 SUBSEQUENT INSTALLATION MADE PURSUANT TO AN APPROVED PROW PLAN:

Additional Facilities installed within the PROW may be placed overhead or underground pursuant to an approved request by the Company made pursuant to Article III, and in accordance with such generally applicable ordinances or regulations governing such installations that have been adopted by the City from time to time.

202.2 GENERAL PREFERENCE FOR UNDERGROUND FACILITIES: As a matter of policy, the City prefers that the installation of any Facility within the PROW occur underground. Notwithstanding this preference, the City recognizes that in some circumstances the placement of Facilities underground may not be appropriate. Any additional installation of lines, cable, equipment or other Facilities shall be underground unless it shall be determined by the Director, pursuant to Article III, that it is not feasible to do so.

202.3 INSTALLATION OF OVERHEAD FACILITIES: Where a subsequent PROW Plan is approved for overhead installation, the Company shall use its existing Facilities, or those of another utility where available. If the PROW Plan calls for overhead installation and existing Facilities cannot accommodate the proposed installation, the Company will clearly indicate in the PROW Plan its intended placement of new Facilities for the Director's review and consideration pursuant to Article III.

202.4 FUTURE ORDINANCES: Nothing herein shall be construed to limit the authority of the city to adopt an ordinance that will restrict the placement of overhead lines for all utilities using the PROW within a defined area of the City.

202.5 CONDITIONS FOR RELOCATING UNDERGROUND: The Company agrees that if, at some future time, the telephone and other utility lines on the posts, poles, and other overhead apparatus upon which the Company has placed some or all of its Facilities in the City's PROWs are relocated underground, the Company will also, at such time, relocate its Facilities on those posts, poles, and other overhead apparatus underground at its expense. 206.1 REMOVAL OF OBSTRUCTIONS: Upon notification from the City, or an entity that has an Attachment Agreement, the Company shall remove any of its Facilities installed in the PROW contrary to an approved PROW Plan within forty-five (45) days of receipt of the notification. If the Company has not removed its obstruction(s) from the PROW within forty-five (45) days of receipt of the notification, the City shall assess the Company a fee of five hundred dollars (\$500) per day the Company has failed to remove the Facility installed in the PROW contrary to an approved PROW Plan. The City, in its sole and absolute discretion, may also remove said offending Facility. In such event, the Company shall pay to the City its reasonable removal costs within thirty (30) days after the City issues a bill for the removal, in addition to the five hundred dollars (\$500) per day fee, such billing to be accompanied by an itemized statement of the City's reasonable costs. SECTION 302 SUBMISSION OF PROW PLAN

At least thirty (30) days before beginning any installation, removal or relocation of underground or overhead Facilities, the Company shall submit a detailed PROW Plan of the proposed action to the Director for review and approval.

The Director may also require submission of a PROW Plan to coordinate with any upcoming City project. The Director will identify to Company the area, scope, and planned timeline of the project. The Company cannot perform any work in the project area except in compliance with the PROW Plan or with the advance written consent of the Director for one year after actual completion of the City project.

The City will not accept any PROW Plan for work to be done during the Holdover Period.

SECTION 303 GOOD CAUSE EXCEPTION

303.1 WAIVER: The Director, in his or her sole and absolute discretion, is authorized to waive the thirty (30) day requirement in Section 302 for good cause shown.

303.2 EMERGENCY WORK: The Company shall immediately notify the Director of any event regarding its facilities that it considers to be an emergency. The Company will proceed to take whatever actions are necessary to respond to the emergency, or as directed by the Director.

If the City becomes aware of an emergency regarding the Company's facilities, the City will attempt to contact the Company's emergency representative as indicated in Section 1202. In any event, the City shall take whatever action is deemed necessary by the Director to make an appropriate and reasonable response to the emergency. The costs

associated with the City's response shall be borne by the person whose facilities occasioned the emergency.

SECTION 304 DECISION ON PROW PLAN BY THE DIRECTOR

304.1 DECISION: The Director must, within sixty (60) days, either approve the Company's plans for proposed action as described in Section 302 or inform the Company of the reasons for disapproval. The Company must designate a responsible contact person with whom officials of the Department of Public Works can communicate on all matters relating to equipment installation and maintenance.

304.2 APPEAL: Upon written request within thirty (30) days of the Director's decision, the Company may have the denial of a PROW Plan reviewed by the City Manager. - (b) the outer dimensions of such Facilities; and
- (c) a description and location of above-ground appurtenances.

ARTICLE IV - STANDARDS

SECTION 401 COMPLIANCE WITH ALL LAW AND REGULATIONS; QUALITY OF WORK

Obtaining this franchise shall in no way relieve the Company of its duties to obtain all other necessary permits, licenses, and authority and to pay all fees required by any applicable state or federal rule, law or regulation. The Company shall comply with and fulfill all generally applicable laws and regulations, including ordinances, regulations and requirements of the City,

regarding excavations and any other work in or affecting the Public Rights-of-Way. The Company shall perform all work in conformance with all applicable codes and established rules and regulations, and it is responsible for all work conducted by the Company or another entity or person acting on its behalf pursuant to this Ordinance in the Public Rights-of-Way. The Company shall install only such equipment as meets industry standards and shall perform all work to industry standards of quality and skill.

ARTICLE V – ALTERATIONS TO THE PROW

SECTION 501 RELOCATION OF COMPANY FACILITIES WITHIN THE PUBLIC RIGHTS-OF WAY

Upon written notice from the Director of a planned and authorized improvement or alteration of City sidewalks, streets or other property, or of a proposed relocation of any City-owned utilities that necessitate relocation of some or all of the Facilities owned by the Company and lines to accommodate same, or of the City's intent to close or vacate any Public Right-of-Way, the Company shall relocate at its own expense any such Facilities within one hundred eighty (180) days of receipt of the notice. At Company's request, the city may consent to a longer period, such consent not to be unreasonably or discriminatorily withheld, conditioned or delayed. Notwithstanding the foregoing, the City shall reimburse Company for any such relocation expense to the extent that such reimbursement is required by Section 56-468.2 of the Code of Virginia, or other applicable law. If the City requests relocation on behalf of any third party, the Company will give notice to the City of the cost for the relocation within a reasonable time not to exceed 30 days, and the third party will have the sole responsibility to the Company for the cost of the relocation. Upon receipt of payment, the Company will promptly undertake and diligently pursue to completion any relocation under this Section 501.

SECTION 502 RIGHTS-OF-WAY PATCHING AND RESTORATION

502.1 RESTORATION STANDARD: In accordance with an approved PROW Plan, the Company may disturb or damage the Public Rights-of-Way. The Director has the authority to determine the manner and extent of the restoration of the Public Rights-of-Way, and may do so in written procedures of general application or on a case-by-case basis. In exercising this authority, the Director will consult with any state or federal standards for rights-of-way restoration and shall be further guided by the following considerations:

- (a) the number, size, depth and duration of the excavations, disruptions or damage to the Public Rights-of-Way;
- (b) the volume and speed of traffic carried by the Public Rights-of-Way and the character of the neighborhood surrounding the Public Rights-of-Way;
- (c) the pre-excavation condition of the Public Rights-of-Way and its remaining life expectancy;

- (d) the relative cost of the method of restoration to the Company balanced against the prevention of an accelerated deterioration of the Public Rights-of-Way resulting from the excavation, disturbance or damage to the Public Rights-of-Way; and
- (e) the likelihood that the particular method of restoration would be effective in slowing the depreciation of the Public Rights-of-Way that would otherwise take place.

502.2 TEMPORARY SURFACING: The Company shall perform temporary surfacing patching and restoration including backfill, compaction, and landscaping according to standards determined by, and with the materials determined by, the Director.

502.3 TIMING: After any excavation by the Company pursuant to this Ordinance, the patching and restoration of the Public Rights-of-Way must be completed promptly and, in a manner, determined by the Director.

502.4 GUARANTEES: The Company guarantees its restoration work and shall maintain it for twenty-four (24) months following its completion. The previous statement notwithstanding, the Company will guarantee and maintain plantings and turf for twelve (12) months. During these maintenance periods, the Company shall, upon notification by the City, correct all restoration work to the extent necessary, using the method determined by the Director. Such work shall be completed after receipt of notice from the Director, within a reasonably prompt period, with consideration given for days during which work cannot be done because of circumstances constituting force majeure. Notwithstanding the foregoing, the Company's guarantees set forth hereunder concerning restoration and maintenance shall not apply to the extent another company, franchisee, licensee, permittee, other entity or person, or the City disturbs or damages the same area, or a portion thereof, of the Public Rights-of-Way.

502.5 DUTY TO CORRECT DEFECTS: The Company shall correct defects in patching or restoration performed by it or its agents. Upon notification from the City, the Company shall correct all restoration work to the extent necessary, using the method determined by the Director. Such work shall be completed after receipt of the notice from the Director within a reasonably prompt period, with consideration given for days during which work cannot be done because of circumstances constituting force majeure.

502.6 FAILURE TO RESTORE: If the Company fails to restore the Public Rights-of-Way in the manner and to the condition required by the Director pursuant to Section 502.5, or fails to satisfactorily and timely complete all restoration required by the Director pursuant to this Article V, the City shall notify the Company in writing of the specific alleged failure or failures and shall allow the Company at least ten (10) days from receipt of the notice to cure the failure or failures, or to respond with a Plan to cure. In the event that the Company fails to cure, or fails to respond to the City's notice as provided above, the City may, at its election, perform the necessary work and the Company shall pay to the City its reasonable costs for such restoration within thirty (30) days of issuance of a bill by the City; such bill will be accompanied by an itemized statement of the City's reasonable

costs. If payment is not received by the City within the thirty (30) day period, the City may collect the costs in any manner authorized by law. Reasonable costs may include, but are not limited to, administrative overhead, mobilization, material, labor, and equipment related to such restoration.

502.7 DAMAGE TO OTHER FACILITIES WITHIN THE PUBLIC RIGHTS-OF-WAY: The Company shall be responsible for the cost of repairing any Facilities existing within the Public Rights-of-Way that it or the Facilities owned by the Company damage. If the Company damages the City's Facilities within the Public Rights-of-Way, such as, but not limited to, culverts, road surfaces, curbs and gutters, or tile lines, the Company shall correct the damage within a prompt period after receiving written notification from the City. If the Company does not correct the City's damaged Facilities pursuant to the foregoing, the City may make such repairs as necessary and charge all of the reasonable costs of such repairs within thirty (30) days of billing accompanied by an itemized statement of the City's reasonable costs. If payment is not received by the City within such thirty (30) day period, the City Attorney may collect the costs in any manner authorized by law. Reasonable costs may include, but are not limited to, administrative overhead, mobilization, material, labor, and equipment related to such repair.

502.8 DIRECTOR'S STANDARD: All determinations to be made by the Director with respect to the manner and extent of restoration, patching, repairing and similar activities under the franchise granted by this Ordinance, shall be reasonable and shall not be unreasonably conditioned, withheld, or delayed. The Company may request additional time to complete restoration, patching, repair, or other similar work as required under the franchise granted by this Ordinance, and the Director shall not unreasonably withhold, condition, or delay consent to such requests.

ARTICLE VI - LIABILITY

SECTION 601 INDEMNIFICATION AND LIABILITY

601.1 SCOPE OF INDEMNIFICATION: Subject to the following, the Company agrees and binds itself to defend, indemnify, keep and hold the City, City Council members, officials and its employees free and harmless from liability on account of injury or damage to persons, firms or corporations or property growing out of or directly or indirectly resulting from:

- (a) the Company's use of the Public Rights-of-Way pursuant to the franchise granted by this Ordinance;
- (b) the acquisition, erection, installation, maintenance, repair, operation and use of any poles, wires, cables, conduits, lines, manholes, facilities and equipment by the Company, its authorized agents, subagents, employees, contractors or subcontractors; or

601.2 DUTY TO INDEMNIFY, DEFEND AND HOLD HARMLESS: If a suit arising out of subsection (a), (b), (c) of Section 601.1, claiming such injury, death, or damage shall be brought or threatened against the City, its officers, or employees, either independently or jointly with the Company, the Company will defend, indemnify and hold the City harmless in any such suit, at the cost of the Company, provided that the City promptly provides written notice of the commencement or threatened commencement of the action or proceeding involving a claim in respect of which the City will seek indemnification hereunder. The Company shall be entitled to have sole control over the defense through counsel of its own choosing and over settlement of such claim provided that the Company must obtain the prior written approval of City of any settlement of such claims against the City, which approval shall not be unreasonably withheld or delayed more than thirty (30) days. If, in such a suit, a final judgment is obtained against the City, its officers, or employees, either independently or jointly with the Company, the Company will pay the judgment, including all reasonable attorney's fees and other costs, and will hold the City harmless therefrom.

SECTION 602 WAIVER BY THE CITY

The City waives the applicability of these indemnification provisions with respect to the claim at issue as of the date that the City:

- (a) elects to conduct its own defense against such claim; or
- (b) fails to give notice to the Company within thirty (30) days of any such claim such that the Company's ability to defend against such claim is compromised; or
- (c) denies approval of a complete settlement of such claim for which the Company seeks approval; or
- (d) fails to approve or deny a settlement of such claim within thirty (30) days of the Company seeking approval of such settlement.

SECTION 603 INSURANCE

603.1 The Company shall also maintain in force a comprehensive general liability policy in a form satisfactory to the City Attorney, which at minimum must provide:

- (a) verification that an insurance policy has been issued to the Company by an insurance company licensed to do business in the State of Virginia, or a form of self-insurance acceptable to the City Attorney;

- (b) verification that the Company is insured against claims for personal injury, including death, as well as claims for property damage arising out of (i) the use and occupancy of the Public Rights-of-Way by the Company, its agents, employees and permittees, and (ii) placement and use of Facilities owned by the Company in the Public Rights-of-Way by the Company, its officers, agents, employees and permittees, including, but not limited to, protection against liability arising from completed operations, damage of underground Facilities and collapse of property;

- (e) verification that the policy has a combined single limit coverage of not less than two million dollars (\$2,000,000).

The policy shall include the City as an additional insured party, and the Company shall provide the City Attorney with a certificate of such coverage before execution of this Franchise Ordinance in a form acceptable to the City Attorney.

603.2 The Company shall also require similar indemnification and insurance coverage from any contractor working on its behalf in the Public Rights-of-Way.

SECTION 604 NEGLIGENCE AND INTENTIONAL ACTS

Nothing herein contained shall be construed to render the Company liable for or obligated to indemnify the City, its agents, or employees, for the negligence or intentional acts of the City, its Council members, its agents or employees, or a permittee of the City.

ARTICLE VII – GUARANTEES OF PERFORMANCE

SECTION 701 GENERAL REQUIREMENT OF A PERFORMANCE BOND

Prior to the Effective Date of this Ordinance, the Company has deposited with the City a Performance Bond made payable to the city in the amount of twenty-five thousand dollars (\$25,000). The bond must be written by a corporate surety acceptable to the City and authorized to do business in the Commonwealth of Virginia. The Performance Bond must be maintained at this amount through the term of this Franchise Ordinance. Whenever the City calls upon the Performance Bond, the Company will take whatever steps are necessary to replenish the amount

available to be called upon under the Performance Bond within ten (10) days of notice from the City regarding same.

SECTION 702 CHANGED AMOUNT OF THE PERFORMANCE BOND

At any time during the Term, the City may, acting reasonably, require or permit the Company to change the amount of the Performance Bond if the City finds that new risk or other factors exist that reasonably necessitate or justify a change in the amount of the Performance Bond. Such new factors may include, but not be limited to, such matters as:

- (a) material changes in the net worth of the Company;
- (b) changes in the identity of the Company that would require the prior written consent of the City;
- (c) material changes in the amount and location of Facilities owned by the Company;
- (d) the Company's recent record of compliance with the terms and conditions of this Ordinance; and
- (e) material changes in the amount and nature of construction or other activities to be performed by the Company pursuant to this Ordinance.

SECTION 703 PURPOSE OF PERFORMANCE BOND

The Performance Bond shall serve as security for:

- (a) the faithful performance by the Company of all terms, conditions and obligations of this Ordinance;
- (b) any expenditure, damage or loss incurred by the City occasioned by the Company's failure to comply with all rules, regulations, orders, permits and other directives of the City issued pursuant to this Ordinance;
- (c) payment of costs or compensation required by this Ordinance;
- (d) the payment of premiums for the liability insurance required pursuant to this Ordinance;
- (e) the removal of Facilities owned by the Company from the Streets at the termination of the Ordinance, at the election of the City, pursuant to this Ordinance;
- (f) any loss or damage to the Streets or any property of the City during the installation, operation, upgrade, repair or removal of Facilities by the Company;

- (g) the payment of any other amounts that become due to the City pursuant to this Ordinance or law;
- (h) the timely renewal of any corporate surety bond that constitutes the Performance Bond; and
- (i) any other costs, loss or damage incurred by the City as a result of the Company's failure to perform its obligations pursuant to this Ordinance.

SECTION 704 FEES OR PENALTIES FOR VIOLATIONS OF THE ORDINANCE

704.1 FEE OR PENALTY: The Company shall be subject to a fee or a penalty for violation of this Ordinance as provided for in applicable law.

704.2 APPEAL: The Company may, upon written request within thirty (30) days of the City's decision to assess a fee or penalty and for reasons of good cause, ask the City to reconsider its imposition of a fee or penalty pursuant to this Ordinance unless another period is provided for in applicable law. The City Engineer or designee shall schedule a review of such request to be held within forty-five (45) days of receipt of such request from the Company. The City's decision on the Company's appeal shall be in writing and supported by written findings establishing the reasonableness of the City's decision. During the pendency of the appeal before the City or any subsequent appeal thereafter, the Company shall place any such fee or penalty in an interest-bearing escrow account. Nothing herein shall limit the Company's right to challenge such assessment or the City's decision on appeal, in a court of competent jurisdiction.

ARTICLE VIII – REQUIRED PAYMENTS

SECTION 801 COMPENSATION/PROW USE FEE.

The City reserves the right to impose at any time on the Company consistent with Section 253(c) of the Communications Act of 1934, as amended:

- (a) a PROW Use Fee in accordance with Section 56-468.1(G) of the Code of Virginia, and/or
- (b) any other fee or payment that the City may lawfully impose for the occupation and use of the Streets.

The Company shall be obligated to remit the PROW Use Fee and any other lawful fee enacted by the City, so long as the City provides the Company and all other affected certificated providers of local exchange telephone service appropriate notice of the PROW Use Fee as required by Section 56-468.1(G) of the Code of Virginia. If the PROW Use Fee is eliminated, discontinued, preempted or otherwise is declared or becomes invalid, the Company and the City
